Frequently Asked Questions

WHAT IS THE ALLFLEX CLUB?

The Allflex Club has been developed as a platform to offer special promotions and communications to eligible producers. The 10% BONUS Tag Offer is the first of our special promotions and is specifically designed for the sheep & goat eID segment in 2025.

WHEN DOES THE 10% BONUS TAGS OFFER START?

The offer commences for orders received between February 1st 2025 and 14th September 2025.

WHAT DOES 10% BONUS TAGS LOOK LIKE WHEN A FARMER ORDERS VIA A RETAILER?

- 10% BONUS Tags are applied to the total for each eligible tag kind (print program) by Allflex after the order is received – retailers only need to input the tags to be invoiced to the farmer.

All BONUS Tags will be rounded up to nearest 20 tags.

- E.g. If a producer needs 1000 tags, they must order 1000 and receive a bonus 100
- E.g. If a producer needs 1500 tags, they can order 1380 and receive a bonus 140 (where 138 bonus tags are rounded up to 140)

To assist in your calculations: Divide total tag requirement by 1.1, round up to nearest 20, and invoice that amount – Allflex will do the rest.

- Multiple Rapid eID tag print programs can be ordered on one purchase order; the total quantity ordered will be eligible for BONUS tags if quantity reaches 1000 tags or greater.
 - E.g. 500 Rapid tags (normal) & 500 Rapid tags (vaccinated) totals 1000 tags and is eligible for BONUS Tags (if other conditions are met). The BONUS Tags will be applied to each print program (eg. 50 normal, 50 vaccinated - these will be rounded up to 60 per program).

Where tags are not divisible by 20 tags, input numbers must be rounded up to nearest 20 tags.

HOW DO PRODUCERS SIGN UP TO THE ALLFLEX CLUB – 10% BONUS TAGS OFFER?

Online and paper based Allflex sheep & goat eID tag orders will each have a tick box for the 'Allflex Club – 10% BONUS Tags Offer'. By ticking this box the store acknowledges that the producer is eligible for the BONUS Tags Offer and that the store has notified the producer that the producer will be contacted by Allflex to confirm consent to future marketing contact. A valid producer email and mobile must be supplied to allow MSD Animal Health to confirm farmer acceptance of the BONUS Tags Offer. The production of tags will not be delayed by the consent follow-up process.

HOW WILL 10% BONUS TAGS APPEAR WHEN I ORDER AND ON THE INVOICE?

The 10% is calculated by Allflex when the order is received. The BONUS Tags will appear on the invoice as a separate line item and will have a zero value.

WHEN DOES THE FARMER GET THE BONUS TAGS?

All BONUS Tags and any Free Applicator Offers will be shipped together with the initial tag order.

DO RELEVANT APPLICATOR OFFERS APPLY TO BONUS TAG OFFERS AS WELL?

YES, if a farmer is eligible for new applicators, these will be shipped with the tag order.
